N.W.:
Measurement: * * * cm

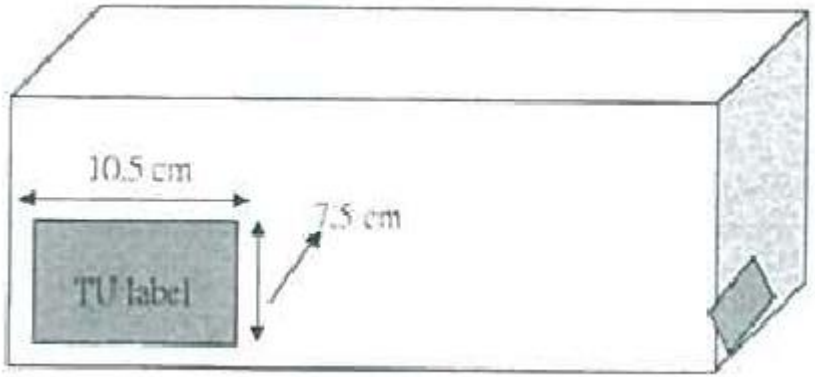

***Order No. - will be provided by logistic team of OBI Group Hong Kong Office**
***Other information on Shipping mark can be found on Migros contract.**

TU (Traded Unit) label

- **TU label for inner carton.**

Size: 10.5(L)* 7.5 (W) CM or 7.5(L) * 5 (W) CM

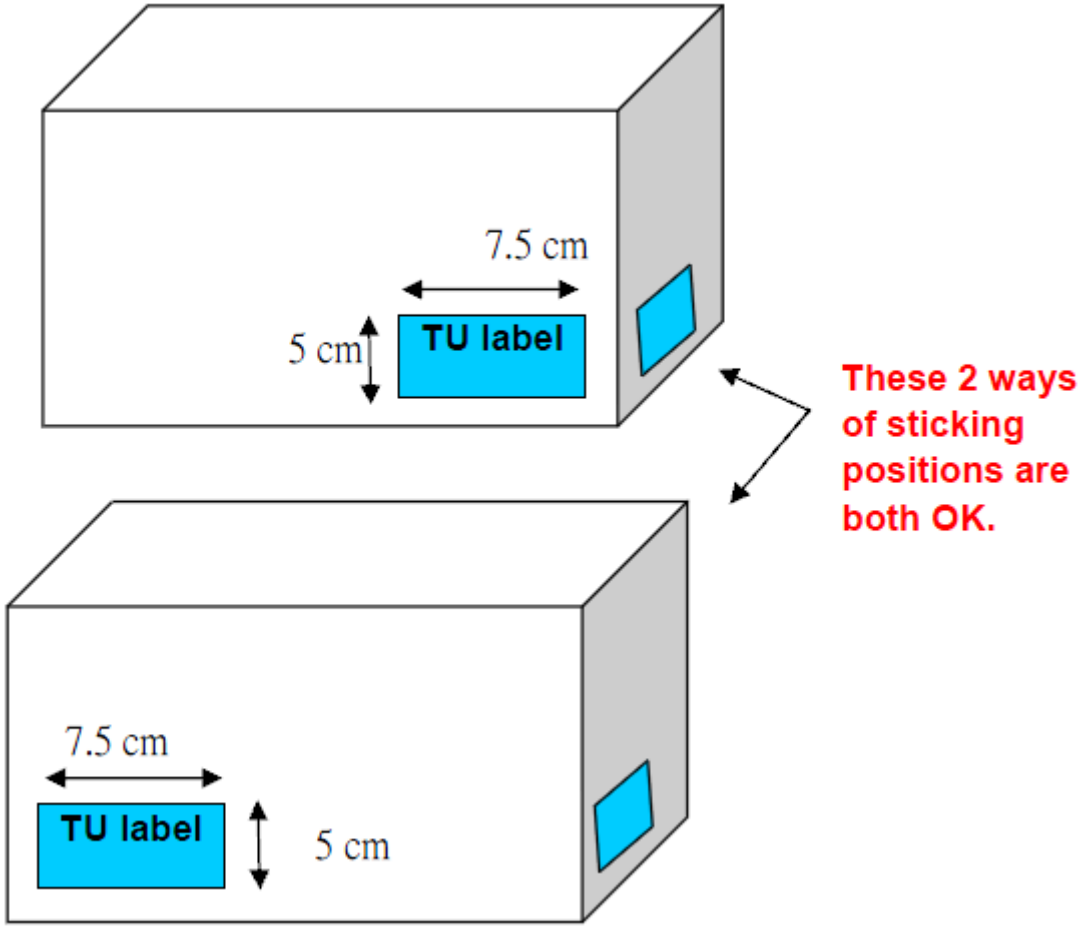

TU Label

One pc of TU label will be positioned on the long and short side of the carton. (total 2 labels) Pls refer to above diagram

*products like gloves, TU labels will be put on the poly bag

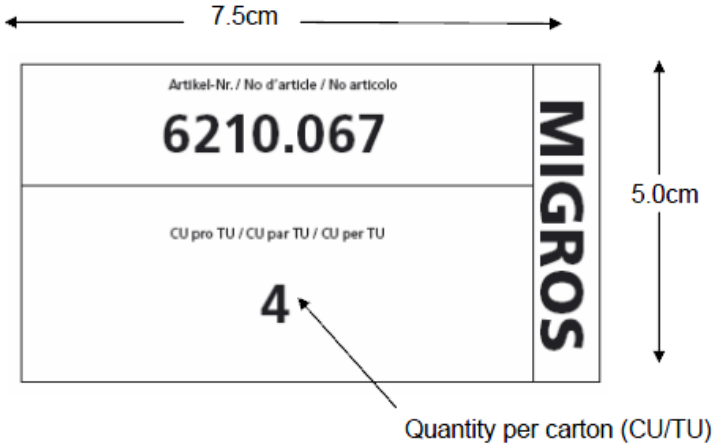

Remarks **When there is no inner carton, TU labels must be put on the export Ctn.
** TU labels should never put on the consumer product
** Supplier should check carefully the order whether the CU/TU (inner) and CU/LU (outer) is the same as per offer.
e.g. if CU/TU = 48, CU/LU = 96, TU Labels should be put on the carton of 48pcs.
e.g. if CU/TU = 12, CU/LU = 12, that means there is no inner carton and TU labels should be put on export carton
***** For Migros, CU/TU is the qty for distrubiting to the store from the central warehouse.
So the TU qty should be as small as possible.

- TU label position **(Example)** as below:
